1. Your Bio

We will create an attractive bio for your profile that will be unmissable to your customers! This will help you reach new potential customers whilst incorporating key words to make it even easier for your page to be found.

2. Highlight Covers

We will create fabulous and unique highlight covers to help you stand out from the competition. This will keep your profile poppin' with your brand aesthetic.

3. Unique Hashtags

We will provide you with a list of hashtags that will boost the reach of your page and connect you to the wider Instagram community.

4. Influencers

We will pick four influencers for you to collaborate with that will best represent your business. This will show off your business to a huge audience.

5. Emojis

Emojis have become an essential element of our expression. Our team will select a handful that best align with your brand, in order for you to be recognisable and maintain your brand's personality.
